

Assignment 1

KEYWORD RESEARCH AND CLUSTERING FOR BLOG OPTIMIZATION

Student's Name: Indrajit Datta

Student's UID: WAPL31032637149

Subject: Digital Marketing with AI

Batch ID: WA-522-ARSI-IT-DIMAWIAI-APR-2026-1

BRAND INFORMATION

Brand Name: Nykaa

Industry/Niche: Beauty & Personal Care | Fashion E-commerce | D2C Retail

About the Brand

Nykaa is one of India's leading beauty, wellness, and fashion e-commerce platforms. Founded by Falguni Nayar in 2012, Nykaa provides a wide range of authentic skincare, makeup, haircare, fragrances, and personal care products from both Indian and international brands.

The platform offers expert beauty advice, tutorials, personalized recommendations, and a seamless shopping experience through its website, mobile application, and offline stores. Nykaa has become a trusted destination for millions of beauty enthusiasts across India.

ASSIGNMENT BRIEF

As an SEO Trainee for Nykaa, the objective is to create an effective keyword strategy for a blog that improves organic visibility, attracts potential customers, and increases product discovery and conversions.

Blog Topic

“Why Nykaa is Every Beauty Enthusiast’s Favourite Online Shopping Destination”

TARGET AUDIENCE

Nykaa’s target audience includes:

- Beauty enthusiasts looking for authentic products
 - Skincare beginners searching for routines and guidance
 - Makeup lovers exploring new trends
 - Budget-conscious shoppers looking for discounts
 - Gen Z (18–24) and Millennials (25–40)
 - Working professionals seeking convenient shopping
 - Customers searching for genuine reviews before purchasing
-

BLOG GOAL

The main goal of the blog is to educate users about Nykaa’s product variety, authenticity, affordable offers, and convenience, while improving website traffic and increasing customer conversions.

USER SEARCH INTENT

Users may search for:

- Nykaa website and mobile application details
- Nykaa product reviews and recommendations
- Best skincare and makeup products
- Nykaa sales, discounts, and offers
- Authentic beauty products online
- Skincare routines and beauty tips

PAIN POINTS & MOTIVATIONS

Pain Point	User Motivation	Nykaa's Solution
Fake Products & Authenticity Concerns	Customers want genuine, safe, and trustworthy beauty products without worrying about counterfeit items.	Nykaa provides 100% authentic products sourced directly from authorized Indian and international beauty brands.
Too Many Product Choices	Customers need an easy and personalized shopping experience to select the right products.	Nykaa offers smart filters, curated collections, personalized recommendations, and expert beauty suggestions.
Skin Compatibility Confusion	Users want products suitable for their skin type, concerns, and personal preferences.	Nykaa provides detailed product descriptions, ingredient lists, skin-type recommendations, and customer reviews.
High Pricing & Budget Concerns	Customers look for affordable beauty solutions and better value for their money.	Nykaa provides regular discounts, Hot Pink Sale offers, combo deals, and budget-friendly alternatives.

Pain Point	User Motivation	Nykaa's Solution
Lack of Beauty Knowledge & Guidance	Beginners need help understanding skincare routines, makeup techniques, and product usage.	Nykaa offers beauty blogs, tutorials, expert guides, and step-by-step skincare recommendations.
Delivery & Product Availability Issues	Customers expect quick delivery and easy access to a wide range of products.	Nykaa ensures efficient delivery services, a large product inventory, and smooth online shopping experiences.
Difficulty Trusting Online Reviews	Customers want honest feedback before making a purchase decision.	Nykaa displays verified customer ratings, genuine reviews, and influencer recommendations to build trust.
Fear of Choosing the Wrong Product	Users want confidence and reassurance while shopping for beauty products online.	Nykaa provides customer support, product guidance, and detailed information to help customers make the right choice.
Influence vs. Reality Gap	Customers want realistic results instead of relying only on social media trends and advertisements.	Nykaa balances beauty trends with authentic customer experiences, expert opinions, and transparent product information.

BEAUTY INDUSTRY TRENDS

The beauty and skincare industry in India is rapidly growing due to digital awareness and online shopping.

Key trends include:

- Increasing awareness of skincare routines
 - Growth of clean and sustainable beauty
 - Influence of beauty influencers and social media
 - Demand for authentic online beauty platforms
 - Rise of AI-based personalized recommendations
 - Growth of Indian D2C beauty brands
-
